- The role of T&P (Training & Placement) Cell is a facilitator for placement related activities. T&P does not guarantee a job.
- At the commencement of the session, the members of the student Placement committee would be selected .The interested students would be required to make a pitch stating the details so as to define "Why He / She should be a member in the Placement committee?" Then, amongst the volunteers the best three would be nominated as <u>Placement coordinators</u> who would be assigned major responsibilities and would be accountable to Head - TnP.
- Participation of the entire batch in the Placement activities is mandatory. Any student found abstaining from the Placement activities would become ineligible for Campus Placements and he /she would not be given any recruitment facilitation under any circumstances.
- Students who will voluntarily disclose with proof that He / She does not require Placement assistance from the Institute would be relaxed from participation in the Placement activities, subject to the approval of Head-TnP. This could be because of various reasons like – Pursuance of Higher Studies, Joining family business, Medical reasons, etc.
- Though Companies select individual students but Campus Recruitment is a team effort. Hence, all students while interacting with the companies for Placement will represent the Institute and not Himself / Herself. Students found guilty of doing so, would be immediately debarred from further Placement assistance
- The committee will have to produce a report after every visit to the Placement company. The report should essentially comprise of
