11	Rishabh Kumar	Rishabh Kumar

Remedial class activities

After the completion of B.Sc I
 the students will attend Part B
 classes. Part B consists of
 3 units. Each of the units
 consists of 10 questions. The
 students have to attempt 8
 questions out of 10 questions.
 The marks for each question are
 10. The total marks for the
 Part B classes are 80. The
 students who are weak in
 the subject should attend
 remedial classes. The
 remedial classes will be
 conducted in the form of
 self-study.

Remedial class activities

Topic: Causes of different types of BSC I
 of Remedial of zoology to give
 you - use of Remedial. Different types
 of growth not to factor of stress conditions
 For stress | conditions of survival
 All organization of water & nitrogen
 factor like nitrogen & water
 growth rate of nitrogen & water
 growth stress | conditions of water
 Remedial of different Remedial of
 in fact you are, factors like
 are water Remedial of stress

Remedial class activities

Parts of the body of insect
 The function of zoology is
 study of insects and their
 activities and their relation
 with the environment
 The study of insect is
 very important for the
 health of the human
 and the study of insect
 is very important for
 the study of the
 environment
