## PART-C: LEARNING RESOURCES

### Text Books, Reference Books and Others

#### Text Books Recommended –

1. Unified Physics –II, R P Goyal, Shivalal Agrawal & Sons Publication
2. Unified Physics-II, Yugbodh Prakashan
3. Unified Physics-II, Navbodh Prakashan

#### Reference Books Recommended–

1. F. Reif, “Statistical Physics (In SI Units): Berkeley Physics Course Vol 5”, McGraw Hill, 2017
2. B.B. Laud, “Fundamentals of Statistical Mechanics”, New Age International Private Limited, 2020
3. B.K. Agarwal, M. Eisner, “Statistical Mechanics”, New Age International Private Limited, 2007

#### Online Resources–e-Resources / e-books and e-learning portals

1. MIT Open Learning - Massachusetts Institute of Technology, <https://ocw.mit.edu/courses/8-333-statistical-mechanics-i-statistical-mechanics-of-particles-fall-2013/>

## PART-D: ASSESSMENT AND EVALUATION

### Suggested Continuous Evaluation Methods:

Maximum Marks: 100 Marks

Continuous Internal Assessment(CIA): 30 Marks

End Semester Exam (ESE): 70 Marks

|                                                                    |                                                                                                                                                                                         |                                                                                                                   |
|--------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|
| <b>Continuous Internal Assessment(CIA):</b><br>(By Course Teacher) | Internal Test / Quiz-(2): 20 & 20<br>Assignment/Seminar- 10<br>Total Marks - 30                                                                                                         | Better marks out of the two Test / Quiz<br>+ obtained marks in Assignment shall be<br>considered against 30 Marks |
| <b>End Semester Exam (ESE):</b>                                    | Two section – A & B<br>Section A: Q1. Objective – 10 x1= 10 Mark; Q2. Short answer type- 5x4 =20Marks<br>Section B: Descriptive answer type qts., 1out of 2 from each unit-4x10=40Marks |                                                                                                                   |
